PROTESTS against these results must be made in writing to reach the Secretary of Meeting within fifteen days of their publication, ie by June 3rd, and accompanied by the fee specified by the ACU - £50.

We shall, of course, look at your time card and test time again if you feel that we have made a blunder with your penalties. A phone call will do it, but it must be emphasized that this would not constitute a protest!

FOUND Body armour, Phillips screw-driver, helmet instruction leaflet, blue fleece.

THANKS TO YOU ALL Only one horse rider and no others that we know of, and plenty of walkers found their way into the forest but all were sympathetic to our sport on the land. This is a reflection perhaps of the respect that all the officials and competitors have showed to the area over the years. OUR THANKS TO EVERYONE. We enjoyed a successful day as much you seemed to and we look forward to seeing you again during the season and next year.

WE can also report that the three young lads – one extremely young – who approached the control area on motorcycles were escorted, walking and pushing their bikes, with no animosity from the venue by two marshals with arrangements having been made for them to be met by a parent. Our thanks to all involved.

OUR THANKS TOO TO FOREST ENTERPRISE AND ITS STAFF for making the venue available to our sport.
